Recognizing that the Borough is a municipal corporation charged with the duty of protecting the health, safety and welfare of the people of the community and that the purpose of this Agreement is to provide for a mutually satisfactory understanding between the Borough, as employer, and the employees and to establish and maintain greater efficiency and productivity on the part of the employees at a fair rate of compensation as well as satisfactory working conditions of the employees, it is hereby understood and agreed that the employees are not entitled to strike, slow down or to take any other collective action in the nature of the strike, work stoppage, job action or slow down to disable or hinder the Borough, as employer, in the discharge of its statutory and governmental duties. The Union and the employees represented hereby agree that such action or actions would constitute a material breach of this Agreement. Nothing contained in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have, in law or in equity, for injunctive relief or for damages or both in the event of such breach. It is further agreed that participation in any such illegal activity by any employee represented by the Union shall constitute sufficient ground for termination of the employment of such employee or employees. The Borough agrees that it will not, during the term of this Agreement, engage in any unlawful lockout or shutdown.

ARTICLE 23

DEDUCTION OF UNION DUES

A. The Borough agrees to deduct the Union monthly membership dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Borough by the Treasurer of the Union and the aggregate deductions of all employees shall be remitted to the Treasurer of the Union together with a list of names of all employees for whom the deductions were made, on or about the 15th day of the succeeding month after deductions are made. This authorization shall be irrevocable during the term of this Agreement, or as may otherwise be provided in applicable statutes.

The Union agrees to indemnify and hold the Borough harmless against any and all suits, orders, judgments or issues against the Borough as a result of any action taken or not taken under the provisions of this Article.

B. Representation Fee in Lieu of Dues

1. Upon the request of the Union, the employer shall deduct a representation fee from the wages of each employee of the unit who is not a member of the Union, all in accordance with N.J.S.A. 34:13A-5.5 and 34:13A-5.6.
2. These deductions shall commence thirty (30) days after the beginning of employment in the unit or ten (10) days after re-entry into employment in the unit.
3. The amount of said representation fee shall be certified to the employer by the Union, which amount shall not exceed 85% of the regular membership dues, fees and assessments charged by the Union to its own members.
4. The Union agrees to indemnify and hold the employer harmless against any liability, cause of action or claims of loss whatsoever arising as a result of said deductions.

5. The employer shall remit the amounts deducted to the Union monthly, on or before the 15th of the month following the month in which such deductions were made.
6. The Union shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5(c) and 5.6, and membership in the Union shall be available to all employees in the unit on an equal basis at all times. In the event the Union fails to maintain such a system, or if membership is not so available, the employer shall immediately cease making such deductions.
7. This article is subject to all provisions of Title 34 of N.J.S.A.

In the event that such notice is given, negotiations between the parties shall begin no later than sixty (60) days prior to the anniversary date. This Agreement shall remain in full force and effect during the period of negotiations and

MUNICIPAL SANITATION CONTINGENCY

In the event the Borough determines that it shall return to municipal sanitation collection, it is agreed that employees of the sanitation branch shall fall under the jurisdiction of the Department of Public Works and, therefore, shall become a part of the bargaining unit covered under this Agreement. In such event, except for stating salaries and benefits shall become a part and parcel of the contract with the bargaining unit and shall be negotiated with representatives of said unit.

ARTICLE 30

SALARIES RETROACTIVE

A. Salaries, during the terms of this contract, are set forth in the Schedules attached hereto and made a part hereof, and shall be paid retroactive to January 1, 2017 as to all employees remaining in the employ of the Borough upon the signing of this Agreement.
